REALTY MAN, DEAD

Brother-in-law of Col. Roosevelt Succumbs After Few Hours Illness.

FOREMOST IN HIS LINE

Robinson, brother-in-law of Col. Theodore Roosevelt and president of the Douglas Robinson, Charles S. Brown Company of New York, died in a hospital here at 12:10 o'clock this afternoon following an illness tasting but a

advised him to go to a hospital im-mediately, whereupon the sufferer left the train when it stopped here and was taken to the local institution where he

It was not thought late last night that but he steadily grew weaker. He had stopped off at Albany yesterday on his way to Warren and had spent several

Foremost Realty Man of Country. Douglas Robinson, whose wife was orinne Roosevelt-a sister many real estate men as the foremost realty broker in the country. As president and director of the Douglas Robinson, Charles S. Brown Company of 14 Wall street he was head of the affairs of the largest real estate brok-erage firm in the United States, a realty concern so highly thought of that it wife of Dr. D. R. Fox, an instructor in was easily ranked as the highest au- the department of history at Columbia. thority on land and property ques-Realty experts who spoke in saddened tones yesterday of Mr. Robinson and his remarkable business career said that it had come to be an accepted

practice in the local realty world, almost a business necessity, to have Mr. Rob-inson's firm appraise real property before any considerable amount of money could be borrowed on the realty holdings. As the firm grew to its present impressive proportions Mr. Robinson was credited with having amassed a large fortune in consequence.
Announcement was officially made only yesterday that the vice-president of the company. William H. Wheelock.

had just been appointed directing head of the United States Government Real Estate Department, the bureau which will buy, lease, condemn and commandeer all real estate for the Govern and the large number of employees of the firm now in Government service Mr. Robinson and his associates, too old to

steadily to expand their big business but also had voluntarily taken upon their shoulders a form of drudgery unique among business houses. Not only would Mr. Robinson and the older men of his firm buckle down to do the work of their younger em-ployees at the front, so Mr. Robinson announced not long ago, but the firm also would gladly take over the affairs of any or all of the smaller real estate oncerns of Manhattan, the heads of which might be absent at the front or doing other Government work. Where-fore, up to the time of Mr. Robinson's sudden illness Wednesday night, he was Boy Recovers Prize Punch Bowl war duties of the owners of these smaller concerns, might have gone to ruin if it were not for Mr. Robinson's

> Handled Pennsylvania Terminal. Perhaps foremost among the countless real estate transactions of magni-tude managed by Mr. Robinson was the work he did, as head of his firm, in as-sembling and buying for the Pennsyl-vania Railroad Company all the real estate that entered into the upbuilding of the Pennsylvania's vast new terminal in the Seventh avenue and Thirty-fourth street region. Also he executed a like commission for the Hudson and Manhattan Railroad Company when the McAdoo tunnels were brought to the

Hudson Terminal. Hudson Terminal.

Up to the time that the late John
Jacob Astor lost his life on the Titanic
Mr. Robinson was a trustee of that part the vast Astor estate which Mr. tor's father had left in trust to Vin-cent Astor's father. Mr. Robinson also managed the affairs of the Kennedy estate and other great properties valued

at many millions of dollars.

Notwithstanding the volume of the realty husiness directed by Mr. Robinson, and the cares attending his numerous other affairs, he was blessed with ous other affairs, he was blessed with a disposition so genial and a grin so happy that invariably he was known smong real estate men as "Sunny Jim." Large of frame, with seemingly at least a decade or more of active business years ahead of him, a lover of the country and outdoor life, the casual observer might think him anything but the tremendously energetic business man he

It was always to Mr. Robinson that the heads of big steamship companies, hospitals and other large institutions in Manhattan of a public or private ntaire turned for advice and personal assist-ance when the matter of realty entered into their affairs

into their affairs.

The great sorrow of his life came to him in February, 1909, when his youngest son, Stewart Douglas Robinson, was killed while a junior at Harvard. The youth, who was not yet 20, accidentally fell six stories from the window of a room in Hamden Hall, one of the dormitory buildings at Harvard. of the dormitory buildings at Harvard and was found dead on the pavement a few minutes later.

Mr. Robuson was graduated from Ox-ford in 1876. Besides being head of

the firm of the Douglas Robinson, Charles S. Brown Company, he was president and director of the Douglas Land Com-pany, a director of the Bankers Trust Company and of the Equitable Life As-surance Society and a trustee of the

JOSEPH O. S. BLACKBURN.

Joseph O. S. Blackburn, former United States Senator from Kentucky, died in his home in Washington early resterday morning. He was born October 1, 1838, and served with the Confederate Army through the Civil War. After the war the University of Parlie resumed the practice of law, extered in Cambridge, Mass. olitics, was elected to the Kentuck; Legislature, serving as a member of the lower branch of Congress from 1875 to 1885. He represented Kentucky in the Senate from 1885 to 1897 and again from

1901 to 1907.

President Roosevelt appointed Mr.
Blackburn a member of the reorganized
Isthmian Canal Commission, and Civil
Governor of the Canal Zone. In 1914 Congress appointed him resident com-missioner of the Lincoln National Me-morial Board and in 1915 he laid the ornerstone of the Lincoln Memorial.

DR. HERBERT L. OSGOOD.

Dr. Herbert L. Osgood who died Wednesday night, was for eighteen years a professor of history in Columbia University and one of the oldest members of the faculty of Political Science of the same institution. Before he was called to Columbia in 1900 he taught history in the Boys' High School of Brooklyn.

Dr. Osgood was born in Canton, Me. was graduated from Amherst College in 1577, and later was awarded honorary degrees by Columbia and made an LL. D. by Amheret. His particular field was American history. Three volumes of his work on "The American Colonies" are generally recognised as the most au-thoritative treatises on that subject ex-tant. Two other volumes, bringing the work down to 1763, it is understood, are

ready for the press.

His continuous application to the writing of these books, despite the protests of his family, undermined his health.

He is survived by a widow, a son who
